This expresses the essence of democratic living and upholds the need of selfless service and appreciation of the other man's point of view and also consideration for fellow human beings.

4. SYMBOL:

The symbol of the National Service Scheme has been based on the **Giant rath** wheel of the world famous Konark Sun Temple of Orissa, India. These giant wheels of the sun temple portray the cycles of creation, preservation and release and signify the movement in life across time and space.
