Report:

Har Ghar Tiranga“ is a campaign to encourage people to bring the Tiranga home and to hoist it to mark the 75th year of India’s independence. Our relationship with the flag has always been more formal and institutional than personal. So under the aegis of Azadi Ka Amrit Mahotsav, a campaign „Har Ghar Tiranga“ has been launched to encourage the citizens to hoist the national Flag of India in their homes. In the above backdrop, our college NSS students took initiative under the leadership of Principal, Dr.N.S. Vyawahare and encouraged all the faculty members, staff and students to hoist the National Flag at their homes as well as create awareness among them how to keep the flag at their homes. In the Har Ghar Tiranga event, the NSS office provided the National Flag to our volunteers and asked to click the photo with the flag and to upload the photo on the university app to make a Guinness World Record. For the same, our volunteers clicked the photo with the flag and uploaded on the app. The volunteers inspired other people also to do the same for the Guinness World Record, and finally made a record of uploading the maximum number of photos of each individual on the app. The students also took pledge to bring „Tirange Home“ and hoist it and make the campaign a grand success.

Activity No: 14

Name of Activity: Eco-bricks workshop in DYPCOP.

Organizers: NSS volunteers of DYPCOP

Venue: At DYPCOP Akurdi, Pune.

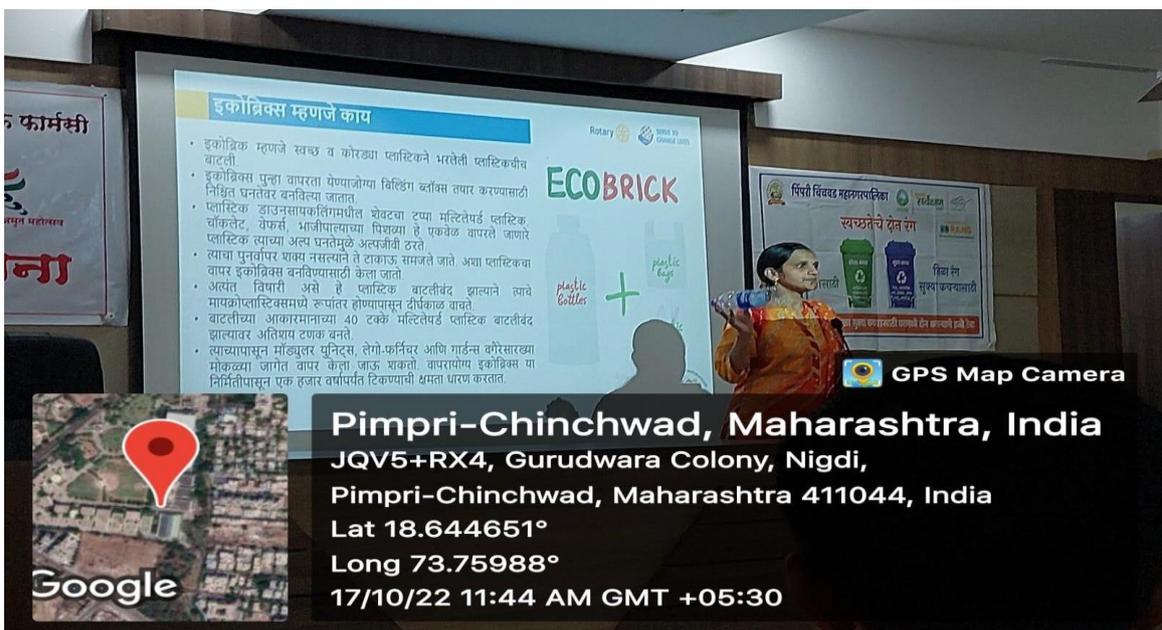

Date: 17th October 2022.

Number of Participants: 35

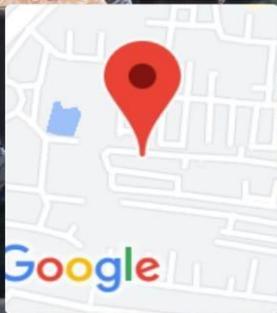

Pos attended from the session: 1, 2, 3, 4, 9, 10, 11

Report:

An Eco brick is a plastic bottle densely packed with used plastic to create a reusable building block that achieves plastic sequestration. Eco bricks can be used to produce various items, including furniture, garden walls and other structures. Eco bricks were produced primarily as a means of managing consumed plastic by sequestering it and containing it safely, by terminally reducing the net surface area of the packed plastic to effectively secure the plastic from degrading into toxins and micro plastics. Eco bricking is both an individual and collaborative endeavour. The Eco bricking movement promotes the personal Eco bricking process as a means to raise awareness of the consequences of consumption and the dangers of plastic. It also promotes the collaborative process as a means to encourage communities to take collective responsibility for their used plastic and to use it to produce a useful product. For this reason, a one-day workshop was organized on 17th October 2022 in association with Pimpri Chinchwad Municipal Corporation (PCMC) and an NGO – Greenishora Solutions at seminar hall. Mr. Ganesh Bora and Mrs. Reshma Bora, founder of Greenishora Solutions, conducted a workshop and given hands-on training to the NSS volunteers for how to prepare the eco-bricks. The officers from PCMC guided the volunteers for the proper segregation of household waste. The volunteers participated with full enthusiasm and learnt a lot of useful things for the maintenance of sustainable and eco-friendly environment.

Report:

India's presidency began on 1 December 2022, leading up to the summit in the third quarter of 2023. The presidency handover ceremony was held as an intimate event, in which the G20 Presidency gavel was transferred from Indonesian President Joko Widodo to Indian Prime Minister Narendra Modi at the close of the Bali summit. The India's G20 Presidency would guide the work of the G20 under the theme of - "Vasudhaiva Kutumbakam" or "One Earth · One Family · One Future" - drawn from the Sanskrit phrase of the Maha Upanishad, which means "The World Is One Family". Essentially, the theme affirms the value of all life – human, animal, plant, and microorganisms – and their interconnectedness on the planet Earth and in the wider universe. To create the awareness about this, the volunteers under the guidance of program officer Mr. Sandip Kshirsagar, participated in the awareness bike rally organized by NSS, SPPU. The rally was started from Shaniwar Wada on 08:00 am 12th January 2023 and ends at Savitribai Phule Pune University. At the ground of University, near Khashaba Jadhav Indoor Sports hall, a program was organized for the celebration of Rajmata Jijau and Swami Vivekanand Birth Anniversary. In this program, an overview and objective of G-20 summit, the dignitaries delivered "Vasudhaiva Kutumbakam". In addition, the biography, principles of Rajmata Jijau and Swami Vivekanand highlighted. The volunteers learnt lot of this event and made aware about the G-20 summit. The volunteers participated with zest and enthusiasm showing teamwork along with active participation.
