Subject: Regarding Curriculum Feedback from faculty member about curriculum

Respected Sir,

Please find the enclosed suggestions regarding gap analysis obtained as a part of curriculum feedback from our faculty. We request you to go through the mentioned suggestions and do the needful for its incorporation.

We also request you to communicate the same to the Pharmacy Council of India (PCI).

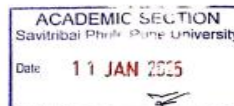

The summary of valid suggestions and recommendations are tabulated below below for your kind perusal and necessary action.

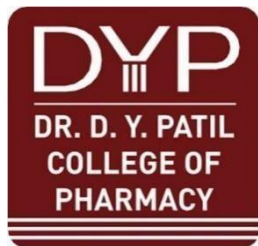

Sr.No.	Suggestions and Recommendations
1.	Need for uniform distribution of all subject to all respective department.
2.	Project should be allotted to third year B. Pharm students. So that they can go for publications until they go to Final year .(As per old Syllabus pattern)
3.	In Pharmacology-I Sem IV –Cholecystokinin topic need to be added.
4.	In NDDS- need to add AI,MI and 3D Printing, as its need of latest Industrial Manufacturing process.
5.	Human anatomy and Physiology-II Disease and disorders related to nervous system to be added.
6.	Structure of curriculum as per current market trends
7.	Regulatory aspects for application of drug delivery systems can be advantageous if included

Action Taken on Alumni and Facility

Combined Action taken on Alumni and Facility

Year	Feedback from	Feedback/stake holder	Suggestions/Recommendations	Action taken
2020-2021	Facility	Parents/students	We want good internet service.	Internet service are improved. Additional WiFi points are installed.
			To provide ATM facilities in college campus.	Already around the campus 4 to 5 ATM center of different banks are available. As per distance criteria none of the bank is in the position to install new ATM inside the campus. Also it can affect safety and security of campus as outsiders may come to use ATM.
	Alumini	Students	Take efforts to improve soft skill	The college has taken the initiative by organizing three days Soft skill training sessions in association with Barclay's GTT

DYPCOP/DIR/ _____ Date: 14/10/24

To,
The Chairman/Trustee,
Dr. D.Y. Patil Educational Complex,
Akurdi, Pune

Subject: Approval for purchase of new DG set of 250KV.along with buy back offer for old DG set of 125 KV.

Respected Sir,

We have installed a DG set of 125 KV capacity in DYPCOP in the year 2014 Since then it is giving satisfactory services. However, since last one year, sudden failure of DG set is observed periodically. The failure is more frequent when there is enhanced workload. The failure of DG set during admission process, examination, research project work, conduct of functions in Shantai, conduct of placement drive etc, disturb the entire systems. Hence we requested Prof.R.C. Dhoke(DYPCOE) to conduct inspection & provide suggestions to resolve this issue.

As per the inspection report submitted by Prof.R.C.Dokhe (DYPCOE) as an expert of the field its basically due to increased demand as a part of infrastructure expansion hence slight increase in demands leads to failure.

As per the discussion with him, the replacement of current DG set with new one minimum of 250 KV capacity is the best option. The old DG set can be shifted to new location in the campus having limited requirement (up to 100 KV) or it can be given in buy back offer to the vendor.

Accordingly, we have collected 03 quotations through purchase head Mr.Shrikant Chavan.Further he discussed and negotiated with these suppliers.As per the outcome of his discussion & negotiation meeting with suppliers M/S.ACCURATE POWERTECH INDIA PVT.LTD. PUNE has been selected being vender with most economical offer.

On this background we request you to approve purchase of new DG set of 250 KV capacity worth **Rs:24,45,000/- (Rupees Twenty Four lakh Forty Five Thousand only)** inclusive GST offer consideration of buy back offer, on priority.
