Report on Fine-Dine Etiquettes

Date: 11/09/2023

Attendees: 100

Name of Speaker: Ms. Asavari Bhavsar

Designation: English Language and Soft Skill Trainer

Topic of Session: Fine-Dine Etiquettes

Organization: DYPIEMR, DYPEC Akurdi.

POs attained from the session: PO2, PO5, PO6, PO8, PO9, PO11

A session on fine-dining etiquette for students focuses on teaching the essential manners and behaviors required during formal dining experiences. The session covered key aspects such as proper seating arrangements, the use of utensils in the correct order (from the outermost to the innermost), and maintaining good posture throughout the meal. Students are taught to wait for the host to begin, keep conversations polite and appropriate, and avoid distractions like mobile phones. They also learn how to use napkins, when to take sips from glasses, and the importance of chewing with their mouths closed. By understanding these etiquettes, students can confidently participate in professional events, enhancing their social and dining skills in both personal and career settings. Speaker Ms. Asavari Bhavsar trained students by giving demonstration and developed confidence amongst the students.

Session delivered by Ms. Asavari Bhavsar on Fine-Dine Etiquettes on date 12/09/2023

Report on Personality Development /Employability Skills.

Date: 03/10/2023 to 10/10/2023

Attendees: 104

Name of Speaker: Ms. Kshitija Parjane,

Designation: Soft Skill Trainer

Topic of Session: Personality Development /Employability Skills.

Organization: Barclays Life Skills Training Programme, Pune

POs attained from the session: PO2, PO5, PO6, PO8, PO9, PO11

The program was inaugurated by Dr. Pallavi Chaudhari and Dr. Revan Karodi . The students were briefed about the session followed by the felicitation of our chief guest and trainer Ms. Kshitija Parjane. After the introduction , there was a session on confidence boosting . Do's and don'ts of public speaking along with tips and tricks for imbining confidence in oneself were discussed. Post lunch break , an interesting activity was conducted for demonstrating team-leadership and co-ordination. This activity emphasized on the importance of non-verbal as well as verbal communication. On day 2 , soft skill development was discussed . The importance of soft skill development and methods to achieve the same were demonstrated . An elaborate question-answer session was also conducted .The students were also asked to fill out the forms for SWOT (Strength , Weakness , Opportunities , Threats) analysis for themselves individually . This helped the students in identification of their abilities and scope of improvements as well as assisted them for setting personal and professional goals . On day 3 , the session started out with an interactive activity of conflict resolution . Students learned regarding interpersonal communication . Post lunch break , treasure hunt activity was conducted within the entire campus to teach the students regarding resource management . On day 4 , the students were assigned in groups and asked to prepare posters on various social issues . They were then asked to present the same posters with the help of an innovative short skit . The students planned and executed the skit on their own . The skit session was filled with awareness regarding various social issues along with a little bit humor . The students were taught regarding resume building and LinkedIn profile optimization in the morning session . The afternoon session was dedicated to interview skills where the trainer conducted mock interviews of a few students and simultaneously taught regarding various interview etiquettes as well as guided and corrected students for their minor errors that are very common during interviews . The entire day was dedicated for stress management . Students were taught about the importance of work- life balance and ways to achieve the same . Students were asked to bring their artworks , musical instruments etc. and were encouraged to showcase their talents Infront of everyone . The trainer , who is a self-taught guitarist herself , accompanied students during the session .

Session delivered by Ms. Kshitija Parjane on Personality Development /Employability Skill from 03/10/2023 to 10/10/2023

Report on Divine Harmony

Date: 14/07/2023

Attendees: 46

Name of Speaker: Ajinkya Patil

Designation: Ayurvedic Consultant

Topic of Session: Divine Harmony

Organization: Shree Dhanwantari Ayurved Clinic and Research Centre, Ratnagiri

POs attained from the session: PO2, PO5, PO6, PO8, PO9, PO11

Divine harmony refers to the concept that music and the universe are governed by a set of mathematical principles and relationships that reflect a higher spiritual order. The session on "Divine Harmony" focused on exploring the relationship between human beings and the divine energy that exists beyond the physical realm. This session was aimed at helping participants deepen their understanding of spiritual energy, its flow within the human body, and how to connect with and harness this energy for personal growth, healing, and spiritual enlightenment. Dr. Ajinkya Patil explained well about the concept of Divine Energy and its presence in all aspects of life. The spiritual connection between humans and the divine he also emphasized on How to tap into this energy for healing, guidance, and alignment with higher spiritual truths. Key concepts were discussed and it will help the people to maintain work life balance. The Programme was coordinated by Dr.(Mrs.) S. P. Chaudhari, Ms. Neetu Khatri and Ms. Aishwarya Patil.

Report on Language Lab session

Date: 03/01/2023 to 31/03/2023

Attendees: 123

Name of Speaker: Ms. Swati Jadhav

Designation: Assistant Professor

Name of the session: Language Lab session

Organization: Soft skill department, Dr. D. Y Patil Educational complex, Akurdi, Pune

POs attained from the session: PO2, PO5, PO6, PO8, PO9, PO11

The trainer of Dr. D.Y. Patil education Complex, Ms. Swati Jadhav trained students in this module regarding listening skills, English grammar, vocabulary, speaking skills which are important as a part of day-to-day life. Further more he trained students for presentation skills, basics of body language, group discussion and personal interview. As part of employability training, he trained students for how to write resumes and email, business communication and how to present yourself in group discussions. As the communication in people solves the number of problems in this concern, he taught some basics of verbal and non-verbal communication, body language, voice and tone, expression while facing interview. In addition to that this information and training to students which will be helpful for cracking interview.

Students involved in self-introduction during the training session with Trainer Swati Jadhav

Report on Importance of Upskilling and Continuous Learning

Date: 13/03/2024

Attendees: 70

Name of Speaker: Hrishikesh Mutalik, Sachin Reddy, Yogita

Designation: Head

Topic of Session: Importance of Upskilling and Continuous Learning

Organization: Clinilauch Research Institute, Bangalore.

POs attained from the session: PO2, PO5, PO6, PO8, PO9, PO11

Upskilling and continuous learning are essential for individuals and organizations to thrive in an increasingly dynamic and competitive world. They not only help workers stay relevant and adapt to new job demands but also contribute to overall job satisfaction, productivity, and career advancement. Mr. Hrishikesh Mutalik addressed that organizations that prioritize employee development through training programs and learning opportunities gain a competitive edge, foster a culture of innovation, and improve retention rates. By addressing barriers such as time constraints and cost, both employees and employers can unlock the full potential of upskilling and continuous learning. In the face of ongoing changes in technology, the economy, and the job market, investing in lifelong learning is the key to future-proofing careers and organizations alike. At the end of the session students were able to learn about how benefits of upskilling for their career. The session was informative and interactive.

Attendees: 36

Name of Speaker: Mr. Maruti Waghmare

Designation: Faculty

Topic of Session: Yoga Session

Organization: DYPEC

POs attained from the session: PO2, PO5, PO6, PO8, PO9, PO11

The purpose of International Yoga Day is to raise consciousness about the benefits of practicing yoga and to encourage the holistic approach to health and well-being. Yoga is an ancient physical, mental, and spiritual practice that originated in India. It combines physical postures (asanas), breathing exercises (pranayama), and meditation for the enrichment of physical strength, flexibility, mental clarity, and emotional balance. Today on the occasion of International Yoga day teachers, students and non-teaching staff performed yoga to give message about health and wellness, the continuous practice of yoga can result in various abilities, making life happy and healthy.

Report on Infectious Diseases and Prevention

Date: 25/07/2023

Attendees: 103

Name of Speaker: Dr. Viplov Vaidya

Designation: Consultant, Infectious Diseases,

Topic of Session: Infectious Diseases and Prevention

Organization: Aditya Birla Memorial Hospital Pune

POs attained from the session: PO2, PO5, PO6, PO8, PO9, PO11

The guest session on "Infectious Diseases and Prevention" provided valuable insights into the various types of infectious diseases, their transmission, and effective prevention strategies. The speaker, an expert in the field, highlighted the global impact of infectious diseases such as influenza, tuberculosis, HIV, and emerging viruses like COVID-19. Emphasizing the importance of hygiene practices, vaccination, and proper sanitation, the session stressed how personal and public health measures can significantly reduce the spread of infections. The speaker also discussed the role of awareness campaigns in educating communities about preventive steps and the importance of early diagnosis and treatment. Participants were encouraged to adopt healthy lifestyle habits and stay informed about the latest research and guidelines for combating infectious diseases.

Report on Awareness of Blood Stem Cell Donation

Date: 04/08/2023

Attendees: 50

Name of Speaker: Mr. Rahul Dethe

Designation: Trainer

Topic of Session: Awareness of Blood Stem Cell Donation

Organization: DATRI blood Stem Cell Donors Registry

POs attained from the session: PO2, PO5, PO6, PO8, PO9, PO11

Session on "Awareness of Blood Stem Cell Donation" aimed to educate participants about the critical role stem cell donation plays in treating life-threatening diseases like leukemia, lymphoma, and other blood disorders. The expert speaker explained the process of stem cell donation, including how individuals can register as potential donors, the matching process, and the various methods of donation. Emphasizing the importance of increasing awareness and participation, the session highlighted the life-saving potential of stem cell transplants and the urgent need for diverse donors to ensure better matches. Attendees were encouraged to consider becoming donors and to spread awareness about the significance of blood stem cell donation in saving lives. The session was followed by sample collection from students and faculty members.

Report On Significance of Yoga in Daily Life

Date: 11/09/2023

Attendees: 100

Name of Speaker: Mrs. Supriya Balkawade

Designation: Yoga trainer

Topic of Session: Significance of yoga in daily life.

Organization: TAPAS Yoga and Meditation Centre Pune

POs attained from the session: PO2, PO5, PO6, PO8, PO9, PO11

Yoga is a holistic practice that integrates physical, mental, emotional, and spiritual aspects of health. Its significance in daily life cannot be overstated, as it promotes physical health, mental clarity, emotional stability, and spiritual growth. Mrs. Supriya Balkawade, yoga trainer stated importance of yoga and how it works for relaxation, fitness, or personal growth, yoga has the potential to bring about positive changes in one's life. Regular practice not only improves physical flexibility and strength but also nurtures inner peace and mental well-being. Given its profound benefits, incorporating yoga into daily routines is a powerful tool for leading a healthier and more balanced life. The session concluded with an interactive session between the instructor and the students in which the queries of the students were addressed satisfactorily. The session was very refreshing, reviving and relaxing.

Report on Moral Value Education

Date: 12/09/2023

Attendees: 120

Name of Speaker: Mr. Prashant Puppal

Designation: Trainer

Topic of Session: Moral Value Education

Organization: Career Management Training and Research Centre

POs attained from the session: PO2, PO5, PO6, PO8, PO9, PO11

As moral values education is an essential aspect of a child's overall development, focusing on instilling ethical principles that guide behavior, decision-making, and interactions with others. It encourages respect, honesty, kindness, responsibility, and empathy, shaping individuals who contribute positively to society. Mr. Prashant Puppal sir also told that by integrating moral education into school curricula and daily life, children learn to navigate complex social situations with integrity and fairness. The session was concluded on a note that moral value education not only promotes personal growth but also fosters a sense of community and cooperation, laying the foundation for a more just and harmonious society.

Session delivered by Mr. Prashant Puppal on Moral value education on date 12/09/2023

Report on Workshop on Democracy, Election and Governance

Date: 18/07/2023

Attendees: 96

Name of Speaker: Manoj Wagh

Designation: Trainer

Topic of Session: Workshop on Democracy, Election and Governance

Organization: Tech Trainers and Testers, Pune

POs attained from the session: PO2, PO5, PO6, PO8, PO9, PO11

A workshop on elections, governance, and the constitution was organized for students to provide them with a comprehensive understanding of the fundamental principles that govern democratic societies. The workshop aimed to educate participants about the significance of elections, the structure of governance, and the role of the constitution in ensuring the rights and responsibilities of citizens. This report provides a detailed overview of the objectives, key topics, and outcomes of the workshop. The workshop opened with a keynote address by a renowned constitutional law expert, who outlined the importance of upholding constitutional principles during elections. The speaker emphasized that elections are not only a means of selecting leaders but also an opportunity to reinforce democratic values and strengthen the rule of law. The keynote was followed by focusing on a different aspect of the electoral and governance system. This workshop provided valuable insights into the complex relationship between elections, governance, and constitutional law, and it emphasized the ongoing need for reform and collaboration to ensure the strength and sustainability of democratic systems.

Session delivered by Mr. Manoj Wagh on date 18/07/2023

Report on Pre and Post Menopause issues with PCOS, PCOD, Thyroid, Fibroid and irregular periods

Date: 23/07/2023

Attendees: 24

Name of Speaker: Ms. Aarti Shitole

Designation: Trainer

Topic of Session: Pre and Post Menopause issues with PCOS, PCOD, Thyroid, Fibroid and irregular periods

Organization: Unimax India

POs attained from the session: PO2, PO5, PO6, PO8, PO9, PO11

Pre and post-menopause issues can be significantly affected by conditions like PCOS (Polycystic Ovary Syndrome), PCOD (Polycystic Ovarian Disease), thyroid disorders, fibroids, and irregular periods. As women are taking this issue lightly so the problems related to reproductive system and metabolism has been increased now-a-days. In pre-menopause, women with PCOS or PCOD often experience irregular periods, hormonal imbalances, and fertility challenges, which can also exacerbate symptoms like weight gain, acne, and excessive hair growth. Thyroid imbalances, whether hypothyroidism or hyperthyroidism, further complicate menstrual irregularities, causing fatigue, mood swings, and weight changes. Fibroids, non-cancerous growths in the uterus, may lead to heavy bleeding, pelvic pain, and discomfort. As women approach post-menopause, these conditions can influence the severity and duration of menopause symptoms such as hot flashes and mood disturbances. Managing these conditions requires a holistic approach, Ms. Aarti Shitole addressed issues with including medical treatments and lifestyle adjustments to ensure a better quality of life through these transitional phases. The session was very informative and interactive.

Session delivered by Ms. Aarti Shitole on Pre and Post Menopause issues with PCOS, PCOD, Thyroid, Fibroid and irregular periods on date 23/07/2023

Report on Pathophysiology of Neurological Disorders

Date: 07/04/2024

Attendees: 54

Name of Speaker: Dr. Aman Mandale

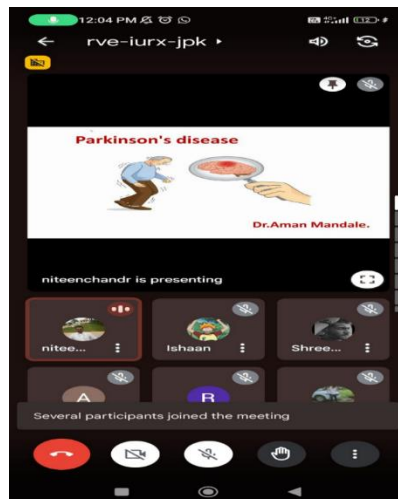

Designation: Medical Officer

Topic of Session: Pathophysiology of Neurological disorders

Organization: Krushna Hospital and I.C.U. Centre, Kallamb, Dharashiv

POs attained from the session: PO2, PO5, PO6, PO8, PO9, PO11

Neurological disorders encompass a wide range of conditions affecting the brain, spinal cord, and peripheral nerves. These disorders can lead to significant impairment in cognitive function, motor abilities, and emotional regulation. The pathophysiology of neurological disorders involves complex alterations in the structure and function of the nervous system. Dr. Aman Mandale provided an overview of the pathophysiology of neurological disorders and offers dietary recommendations that may help manage these conditions. The pathophysiology of neurological disorders refers to the changes that occur in the nervous system's normal function due to disease processes. Dr. Aman Mandale well explained these conditions can result from genetic factors, environmental influences, trauma, infection, inflammation, or other underlying health issues. While there is no single cure for these conditions, dietary management plays an important role in supporting brain health, reducing inflammation, and improving overall quality of life. A balanced diet rich in antioxidants, healthy fats, and anti-inflammatory foods can help manage symptoms and potentially slow disease progression.

Report on Biostatistics

Date: 07/05/2024

Attendees: 30

Name of Speaker: Mr. Jitendra Garud

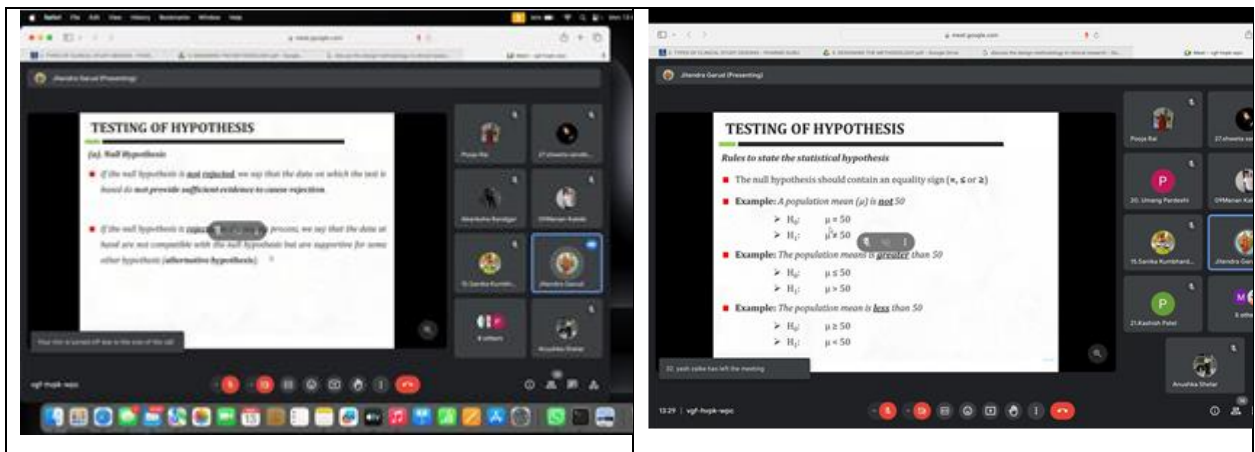

Designation: Assistant Professor

Topic of Session: Biostatistics

Organization: Dr. D.Y.Patil Education Complex, Akurdi.

POs attained from the session: PO2, PO5, PO6, PO8, PO9, PO11

The expert session on "Biostatistics" provided an insightful overview of the crucial role statistics plays in analyzing public health data and making informed decisions in medical research. The expert explained key concepts such as data collection, statistical models, and the interpretation of results in studies related to disease patterns, treatment efficacy, and health outcomes. Emphasis was placed on the importance of biostatistics in ensuring reliable and valid conclusions in clinical trials and epidemiological studies. The session also covered the use of statistical software in data analysis, helping participants understand how biostatistics contributes to evidence-based practices in healthcare. Attendees gained a deeper appreciation for the value of statistical methods in improving public health and guiding health policy decisions.

Report on Statistical Methods in Epidemiology

Date: 12/05/2024

Attendees: 50

Name of Speaker: Dr. Suhas Vaishampayan

Designation: Visting Faculty

Topic of Session: Statistical methods in Epidemiology

Organization: Poona College of Pharmacy, Pune.

POs attained from the session: PO2, PO5, PO6, PO8, PO9, PO11

The session of Statistical Methods in Epidemiology provided a comprehensive understanding of how statistical techniques are essential in studying the distribution and determinants of health-related events in populations. The speaker, explained various statistical methods such as regression analysis, survival analysis, and hypothesis testing, illustrating how these tools are used to identify risk factors, assess the effectiveness of interventions, and establish causal relationships between exposures and diseases. The session highlighted the importance of accurate data collection and analysis to ensure the validity of epidemiological studies. Participants learned how these statistical methods are crucial in guiding public health policies, improving disease prevention strategies, and advancing medical research.

*Session delivered by Dr. Suhas Vaishampayan on Statistical methods in Epidemiology on date
12/05/2024*
