7.1.1 GENDER AUDIT

The objective of Gender Audit

- To examine the gender discrepancies at the College level.
- To achieve a good gender balance in the decision-making process across all aspects of college life.
- To promote gender equity within the campus.
- To examine gender-based issues that affect administrative staff, students, and Faculty.
- To study and determine the places and variables of gender discrimination.

Gender Audit Concept and Methodology

A gender audit is a technique for assessing and checking the formalization of gender equity state-of-art in organizations including programmes, facilities, processes, analyzed and the main gender biases are identified. The fundamental assumption of gender auditing at an educational institution is that decision making structures, organizational culture and processes as well as to gather staff's perceptions, understanding and behaviours affects female and male students differently.

Every year the institution performed a gender audit to raise awareness of the need of respecting each gender and problem solving to find solutions for making female students feel more secure on campus. Girls and women must have access to a different variety of activities and programmes that suit their needs and life experiences in order to achieve gender equity. The college consistently places an emphasis on students total personality development and quality achievement.

The College has constituted the Gender Sensitization Cell and has been instructed to spread the awareness of Gender Equity in the college.

Objective of Gender Sensitization Cell

1. To achieve sustainable and peaceful development of all students.
2. Identify the difficulty in gender equity and addressing the faculty, staff members and students on gender issue.
3. To generate the awareness about gender issues and equity social systems.
4. Guide to integrate all the genders in all activities of the institution.
5. To create positive values among staff members as well as male and female students.

Venue: Dr. D. Y. Patil College of Pharmacy Akurdi, Pune

Date: 08/03/2023

Faculty: 27

Brief Report:

The 8th March is an international Celebration as the "International Women's Day". It is an important occasion for all of us to pause for a moment to reflect on ourselves, to appreciate how much has been done and what more needs to be done in the field of gender equity. Moreover, it is the day to acknowledge all the men and women in the world for making this world a better place for everyone to live in on the day. The program would not have succeeded without the help of the student's male and female faculties and other volunteers. Therefore, we would like to sincerely extend our heartfelt gratitude to those who made the event extraordinary.

Po's attended: PO2, PO3, PO5, PO6, PO8, PO10, PO11.

Institutional Measures for Gender Equity

Our institution is committed to fostering gender equity by ensuring equal participation of boys and girls in all curricular and co-curricular activities. Comprehensive measures have been implemented to create an inclusive environment that nurtures the academic, cultural, and personal growth of every student, regardless of gender.

Equal Representation in Curricular Activities

The institution emphasizes equitable opportunities for boys and girls in academic pursuits. Students are encouraged to participate equally in seminars, workshops, research initiatives, and other academic endeavors. Committees and project teams are constituted with balanced gender representation to promote collaboration and mutual respect. Mentorship programs, counseling sessions, and academic support initiatives are uniformly accessible to all students, ensuring an unbiased platform for personal and professional growth.

Inclusivity in Co-Curricular Engagements

The college actively organizes a variety of co-curricular activities, including sports, cultural events, debates, and intercollege competitions, where boys and girls are equally encouraged to participate. Leadership roles in event planning and management are distributed without bias, fostering

By integrating gender equity into all facets of institutional life, the college strives to create a culture of inclusivity, respect, and equal opportunity. These efforts aim to empower students and equip them to contribute to a more equitable society.
