community health awareness camps, free medication distribution programs, and collaborative research projects addressing local health issues. Additionally, students participate in workshops on drug safety, provide health education to underprivileged communities, and engage in environmental sustainability initiatives, all aimed at instilling the values of compassion and service in their professional development.

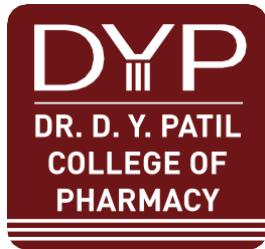

**1. Distribution of OTC Medicine to Police and Pilgrims (War Kari):** The Pandharpur Wari is not just a religious event but a cultural phenomenon that brings together people from various walks of life, united by their shared devotion to Lord Vithoba. Pilgrims often sing devotional songs (abhangas), recite prayers, and engage in acts of devotion during the journey, which is seen as a form of pilgrimage to attain spiritual merit. Every year, DYPCOP students and faculty distribute free OTC medicines to pilgrims during the Wari, a religious pilgrimage and provide medical aid to both pilgrims and police officers involved in the event by counselling how to use OTC medicine. ([Distribution of Medicine to the Police and Pilgrims](#))

**2. Distribution of Books to Snehawan:** Snehwan stands as a movement dedicated to children who are denied the opportunity to learn due to challenging circumstances. The organization believes that education is a powerful tool that can transform lives and is the key to improving the future of underprivileged children. DYPCOP students distribute books, pens, and notebooks to underprivileged children, funded by voluntary donations from students and faculty to promote the importance of education. Students counsel the children regarding 'Personal Hygiene' ([Visit to Snehwan-Ek Aashecha Kiran, Koyali](#))

**3. Visit to Old Age Home 'Sneh Sawali-Aple Ghar':** DYPCOP Students and faculty visit elderly people in old age homes to offer medical guidance, counseling on medication use and emotional support. And conduct a session on 'Impact of Food on Drug action' to the old age people, DYPCOP students learn life long experience with valuable sharing by old age family.

**4. Visit to Paraplegic Rehab Centre (PRC):** The Army Rehabilitation Centre (PRC) in Range Hills, Khadki, Pune is indeed a well-known and respected rehabilitation center for defense personnel who have suffered spinal cord injuries while serving their country.

The center's primary goal is to provide high-quality aftercare and rehabilitation services to personnel from the Defense Forces of India who have been medically boarded. Students and faculty regularly visit in each year this center, which supports soldiers suffering from spinal cord injuries. They provide health advice, counsel on medication use, and offer other forms of support and giving session on 'Primary health support' ([Visit to Paraplegic Rehab Centre](#))

**5. Visit to Dada Chi Shala:** During Diwali, every year DYPCOP students visit the "Dada Chi Shala" to distribute sweets to underprivileged children, blending education and joy to bridge societal gaps which shows the students play valuable role in society. The students aware the children regarding 'good touch and bad touch' by giving small session ([Visit to Dada chi shala](#))

These activities demonstrate DYPCOP's commitment to developing socially responsible pharmacists who are engaged in serving and educating the community, blending pharmacy education with real-world social impact.
