Subject: Regarding Curriculum Feedback from faculty member about curriculum

Respected Sir,

Please find the enclosed suggestions regarding gap analysis obtained as a part of curriculum feedback from our faculty. We request you to go through the mentioned suggestions and do the needful for its incorporation.
We also request you to communicate the same to the Pharmacy Council of India (PCI).
The summary of valid suggestions and recommendations are tabulated below below for your kind perusal and necessary action.

Sr.No.	Suggestions and Recommendations
1.	Need for uniform distribution of all subject to all respective department.
2.	Project should be allotted to third year B. Pharm students. So that they can go for publications until they go to Final year .(As per old Syllabus pattern)
3.	In Pharmacology-I Sem IV –Cholecystokinin topic need to be added.
4.	In NDDS- need to add AI,MI and 3D Printing, as its need of latest Industrial Manufacturing process.
5.	Human anatomy and Physiology-II Disease and disorders related to nervous system to be added.
6.	Structure of curriculum as per current market trends
7.	Regulatory aspects for application of drug delivery systems can be advantageous if included
